

“Don’t lose hope.  
Have faith in life,  
a thousand times faith.  
Help each other.  
That is the only way to survive.”

## Eleanor Jackier

Eleanor Jackier triumphed over a stolen childhood to build a life of joy, love and family. Her choice to face life's losses teaches us the importance of hope. As a Holocaust survivor, Eleanor is deeply committed to advancing Holocaust education in Michigan and making sure the Center's work can continue for generations. We applaud Eleanor for her resilience and fearless determination.

Please join us virtually for a memorable and heartwarming program supporting the Holocaust Memorial Center. We will gather in our homes to share an inspiring broadcast with Broadway music and celebrities.
